Members of the McLeod rink of Edmonton are presented the Pembina Pipeline Trophy by Slim White. Rink members from the left are Roy Osborne, skip; Don McLeod, 3rd; Red Spencer, 2nd; and Bud Niben, lead.

EDMONTON RINK WINS 'SPIEL

Skipped by Ray Osborne, the McLeod rink of Edmonton defeated Bernie Kropp of Drayton Valley to win the Grande Challenge Event and the Pembina Pipeline Trophy in last weekend's men's open bonspiel.

Sixty-four rinks took part in the successful 'spiel that got underway Wednesday evening with Mayor Lloyd Maclean throwing the first rock. A feature of the weekend was a banquet and entertainment in the Legion Hall Saturday evening.

Other event winners included:
Second Event, Drayton Valley Hotel Trophy, Edmonton rink of Jack Croft, skip; Herb Lemke, 3rd; Bernie O'Conner, 2nd; and Don Osborne, lead.

Third Event, Mers Construction Trophy, Hinton rink of Peter Chalick, skip; Ken Hartman, 3rd; Harvey Pinsonneault, 2nd; and Dennis Kobsar, lead.

Fourth Event, M & R Trucking Ltd. Trophy, Edmonton rink of Norm Murray, skip; Ron Sergeant, 3rd; Larry Bonney, 2nd; and John Ward, lead.

Fifth Event, Rose's Well Service Trophy, Edmonton rink of Art Duguid, skip; Ron Berger, 3rd; Rod Little, 2nd; and Ernie Rind, lead.

Sixth Event, Maclean Well Servicing Trophy, Wildwood rink of Rick Bentley, skip; Cliff Atkinson, 3rd; Ron Gates, 2nd; and Duane Gates, lead.

Visitors Aggregate was won by the McLeod rink and Local Aggregate by Jerry Griffin, skip; Matt Leake, 3rd; Jerry Jones, 2nd; and Byron Morden, lead.

Program On Drug Abuse

All members of the community are invited to attend a program on drug abuse to be held in the Frank Maddock High School at 7:30 p.m. on Monday, February 28th.

A one-hour movie will be featured in which Art Linkletter speaks out on this vital problem facing the world today.

Marek Jablonski Concerts Planned

The Parkland Regional Arts Committee under the auspices of the Parkland Regional Recreation Department will be sponsoring two concerts with the young and talented Alberta pianist, Marek Jablonski, who is now world known.

He has played in cities and countries like London, Milan, and Italy. His recent tour of Russia was, because of his earlier concerts, completely sold out. In Leningrad, his last concert of the tour, they would not permit him to leave the stage because of requests for more encores. Eventually the lights had to be turned out in the main hall and he was secretly taken to the back entrance where a taxi was waiting to whisk him to the airport.

Marek Jablonski is naturally very thrilled to have been invited to play "in those far away places with the strange sounding names", but his heart is and always will be in Alberta.

A special C.B.C. presentation on the life of Marek Jablonski will be shown on Channel 5 on March 8th at 9:30 P.M.

These concerts are possible through heavy subsidy from the Department of Culture, Youth and Recreation, Cultural Development Branch in Edmonton.

The concerts will be held in two areas of the County to give as many as possible a chance to attend. School buses can be made available from each school to bus children to the concert closest to them.

Tickets will be available in centres and stores throughout the County as well as from all school principals. Fees are $1.50 for adults and 75¢ for each child with preschool children admitted free of charge if accompanied by an adult.

Anyone who saw and heard Marek Jablonski two years ago when he played in Stony Plain will be sure not to miss this exciting performance.

Come out and support a talented Albertan and at the same time support the Arts in our Region. Reserve the dates of Wednesday, March 15th at 8:00 P.M. in the Drayton Valley High School and Saturday, March 18th at 8:00 P.M. in the Stony Plain High School.

Breeders Organize New Association

An organizational meeting was held Tuesday, February 15th to form a new Drayton Valley Breeders Association. Some 28 people attended the meeting which opened with election of officers: President, Ken MacKenzie; Vice-President, Victor Maciborski; Secretary-Treasurer, Eileen Hoge; Directors, Dan Burki, Ted Maciborski, Gordon Scheideman, Len Aubrey.

The new association will be called the Drayton Valley Beef Breeders Association, and will hold a sale of selected cattle on Saturday, April 22nd at 1:00 p.m. in the Sekura Auction Market. Any recorded or registered animal of a recognized beef breed may be entered, provided it meets the standards set by the Board of Directors. Bulls must be a minimum of one year of age, and a maximum of five years of age by April 30th.

For further information, interested persons may contact Ken MacKenzie at 542-2268, Eileen Hoge at 542-2061 or any of the Directors in your district.

New Member Joins Paper

A newcomer to The Western Review staff, Miss Lorraine Berkley, is becoming acquainted around town as she follows her duties as a reporter.

A journalism graduate of the Southern Alberta Institute of Technology, Miss Berkley formerly resided in Fort Saskatchewan where she obtained her public and high school education.

She cut her newspaper teeth with Ma Murray's Bridge River-Lillooet News and later moved to the Alaska Highway News at Fort St. John and the Stony Plain Reporter before joining The Western Review.

Spruce Grove Resident Seeks P.C. Nomination

Stan Schellenberger of Spruce Grove is seeking the Progressive Conservative Nomination for the federal constituency of Wetaskiwin.

A sales manager for the feed business of Bell and Sons Canada Ltd., the 24 year old has a BSc from the University of Alberta.

Born and raised in Spruce Grove, his possibility of winning the nomination will be decided at the P. C. nomination meeting March 11th at Leduc.

Dick Secord of Winterburn and Harry Moore of Wetaskiwin have Also declared their intention of seeking nomination.

This accident near Violet Grove, Wednesday, took the life of Harold Stewart of Drayton Valley.

Accident Claims Life

Harold Ian Stewart, 39, of Drayton Valley, was killed in a head-on car-truck collision on February 16th. Icy roads and heavy blowing snow are thought to have contributed to the accident.

Stewart was alone in his car when it collided with the truck on a curve near Violet Grove.

The accident occured on the Lodgepole road, about four miles south of Drayton Valley at 3:30 p.m. Stewart, driver of the southbound car, collided with a low-boy truck driven by Norman Tucker of Drayton Valley.

Total damage was done to the car, with little damage to the truck and no injuries to the truck-driver.

Stewart is survived by a wife and two children residing in Regina, Saskatchewan.

Pup Story Has Happy Ending

Last week's Western Review decided to seek assistance in finding a home for a sad little pup that had been found tied in a box at the dump, presumably left to die.

Well, assistance was found alright! The veterinary clinic heard over 100 calls on Wednesday alone - including long distance calls. The clinic reports that they are still receiving phone calls concerning the nine or ten-week old pup.

However, as soon as the original owner saw the picture, he went to the town office, paid the fees, and claimed the dog.

Apparently, the owner had given the dog away to someone else, and hadn't heard any more of the pup until Tuesday's paper. The story ended happily with the pup back at home.

Talent Show On Saturday

The 25th annual Search for Talent show will be held in Drayton Valley, February 26th at St. Anthony's Separate School at 7:30 p.m.

Sponsored by the Legion Auxiliary anyone or group who can sing, dance, play instruments, or perform in any way can register at Simpson Sears.

An A.C.T. Sweepstakes Early Bird Draw will be made, and all proceeds go to the Northern Alberta Children's Fund.

Clippers Successful On Playoff Trail

Rose Well Servicing Clippers started on the long road to a Provincial Championship on Friday with a 6 - 0 victory over Stony Plain.

Ben Coppens played a strong game to record his second shutout of the year. Mark Hutton lead the Clippers with two goals and an assist. Other Clippers to dent the twine were Darcy Galvon, Milton Tucker, Ron Bartek and Cameron Selin.

On Saturday in the leaguequarter-finals, Innisfail took advandtage of Clipper mistakes to win 6 - 5 and tie the series. Scoring the Clippers' goals were Craig Featherstone, Ron Riech, Darcy Galvon, Xavier Coppens and Ken Fournier.

However, on Sunday the Clippers advanced to the semi-finals by ousting Innisfail with a 7 - 3 victory. The team was led to victory by Ron Bartek and Xavier Coppens with two goals each. Other scorers were Wayne Halldorson, Cam Selin, Ken Fournier, and Bruce Hutton.

Xavier Coppens led the team in three weekend games with six points while Ron Bartek picked up five points.

Permit Value Way Down

Town figures show that building permit values for the month of January were considerably below last January's total.

Only $2,300. in building permit values were recorded as compared to last year's $157,000., thus showing a 98% decrease.

All development was residential as commercial, institutional, and industrial were registered as nil.

Rebels Lose To Colonels

The Rebels lost a close one to Wetaskiwin Sunday by a score of 3 to 1.

A good hockey game -- they had many good chances to score but couldn't get the puck past goal tender Gunther of Wetaskiwin. The Rebels had a bad first period which they have had a little too often in the last month.

Fortunately Lorne Foster and Barry Pankewicz haven't had bad first periods and have been able to hold the opposition down until the rest of the team get going. But it is getting to playoff time and this is just like a new season.

The goaltenders get hotter but let a team get a couple goals up on you and it may be game over. Maybe a little more defensive hockey early in the game. The name of the game is skating.

A good crowd-pleasing exhibition game was played last Thursday night against Stony Plain Eagles. Not much hitting but a good skating game. The Rebels came out on top 3 to 2. This was the minor hockey benefit game and drew a good crowd of 582 fans.

I thought the goal tending in this game was outstanding for both sides. A lot of good shots and chances to score but they held it down to a low scoring close game.

By DOUG BARNES

The first round of the Provincial playoffs against the Wetaskiwin Colonels has been set. The first game of a two game total point series will be played in Wetaskiwin on Saturday, March 4th. The second game in Drayton Valley, Saturday, March 11th.

The league playoffs have not yet been set but will probably start in between these dates. Who the Rebels play in the league playoffs has not been decided. It could be either Camrose or Fort Saskatchewan.

The Rebels have four league games left to play, three against Fort Saskatchewan, two away and one at home on February 29th. This Thursday they travel to Westlock for their final league game with the Eagles.

Congratulations to the Midget Clippers for winning their playoffs against Innisfail. The Rebels wish you good hockey all the way to a championship. This good hockey club bombed Stony Plain in a Provincial playoff game Friday night 6 - 0, taking a six goal advantage to Stony Plain in a two game total point series.

Scoring summary Sunday, February 20th -- Drayton Valley 1 Wetaskiwin 3.

First period - 1. Green 12:18. Second period - 2. Green (Shillabeer, Kern) 6:32; 3. Maciborsky (Kresanowsky) 15:17; and 4. Drayton Valley, Day (Wilkes, Novosel) 16:56. Third period - no scoring.

Penalties - Drayton Valley 8, Wetaskiwin 9.

Shots on goal by Drayton Valley - 7, 6, 11 total 24; and Wetaskiwin 13, 7, 7, total 27.

Election Called In Entwistle

At the last regular meeting of the Entwistle Village Council a by-law was passed authorizing an agreement with the Breton-Drayton Valley Ambulance Service Board to participate in the ambulance service.

A motion was passed that no annual meeting by held unless a petition of the ratepayers is received.

Council considered the cost estimates as presented by Associated Engineers for installation of water and sewer lines south of Highway 16. This matter will be considered further at the March meeting of Council.

The problem of dogs running at large was discussed and a renewed effort will be made to keep dogs off the streets. Council intends to investigate the possibility of having a regular pick-up of stray animals and having them destroyed unless licensed and claimed.

An election to fill two Council vacancies will be held March 8th. At a nomination meeting held Wednesday, February 9th six nominations were received.

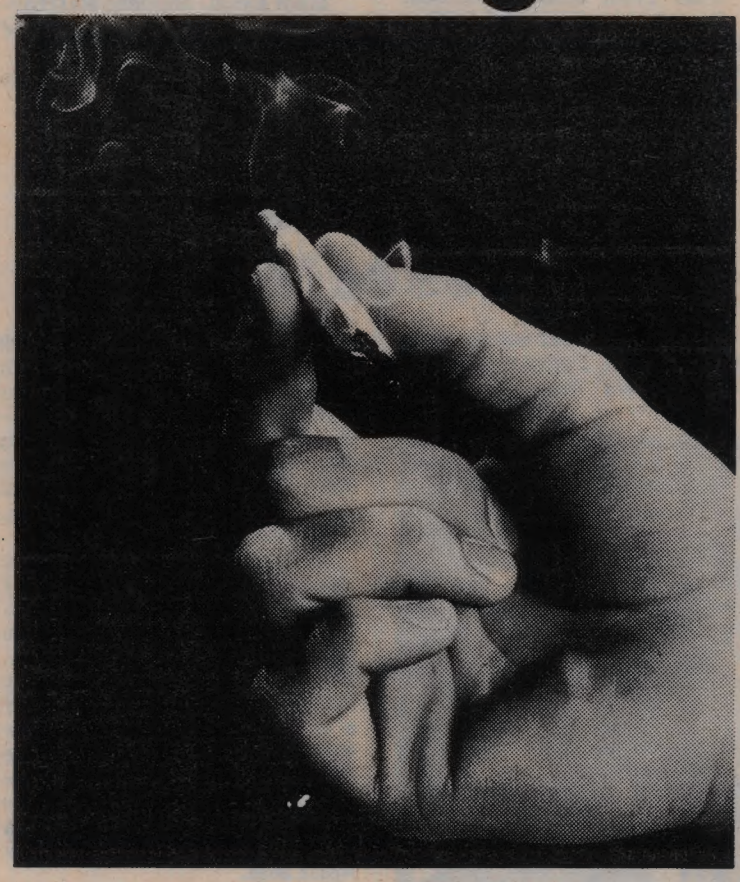
wondering?



A lot of people are. Drugs are now wide spread. Sooner or later every young Albertan faces the decision: Do I experiment, or not? Parents find themselves shocked and dismayed — and sadly lacking in knowledge.

The Alberta Department of Culture, Youth and Recreation believes that, given the facts, young people can intelligently and maturely assess how drugs relate to their growth as persons and members of society. But the facts about drugs are often hidden in a maze of hearsay and conflicting opinions.

An information kit is available for anyone who is wondering about drugs. It presents an authoritative and objective picture of the known medical facts, as well as the legal and social aspects of the drug scene.

No scare tactics or moralizing. Just facts. For your copy of this information kit, write:

Lamps, lamps, and more lamps -- each shedding its own light on history, and each belonging to Mrs. Henningsmoen's antique lamp collection.

LAMPS SHED LIGHT ON YESTERYEAR

By LORRAINE BERKLEY

One would never think that an ordinary lamp could mean very much, but according to Mrs. Isabelle Henningsmoen of 4756-46 Street, Drayton Valley there's no such thing as an ordinary lamp, and each one is likely to have a story of its own.

Among her collection of over 100 antique lamps, Mrs. Henningsmoen has some pretty unusual-looking lamps, such as her oldest piece dating back to the 1600's and coming from northern England or Scotland.

Another one, she said, had a chimney that was different than others. She explained that various shapes had been tried with chimneys to get the best lighting, and this one was apparently an experimental type.

Mrs. Henningsmoen has been collecting lamps for about five years now, but never really had the idea in mind to collect them.

"It actually started with a pair of ornamental type lanterns I had purchased, friends saw them, assumed I liked ornamental lamps, and began bringing them to me," she said.

"The lamps began to get interesting," she said, "and that's how I became an antique lamp collector."

Most of her lamps have come from people who owned them or by trade with other collectors.

Although there is no club for antique lamp collectors, several books have been written on the subject, as well as catalogues appraising lamps and listing types and prices.

Mrs. Henningsmoen has not as yet put a value on her collection, but certain individual items she owns are quite valuable, including one banquet lamp catalogued at $185.00.

When she obtains a lamp, the first thing she does is clean it thoroughly. If any parts are missing that probably will never be found, her husband helps make them, as well as getting Ivan Jensen to do the machine work and Monroe's to do the tinsmithing.

Mrs. Henningsmoen, herself, is an Albertan, born in Big Valley, 20 miles south of Stettler, and educated there. After graduation, she married, and because her husband worked on the oil rigs, has travelled most of Alberta

They moved to Drayton Valley in 1955 when her husband was placed with Goliad.

"Lamps are made out of just about any type of glass," Mrs. Henningsmoen explained. One lamp was made of goofus glass, several of satin glass, one of spangled glass (tiny pieces of gold moulded into the base).

"To make a lamp valuable," she said, "it has to have a certain pattern."

Besides using the appraisal catalogues, collectors use the old store catalogues, especially those dated in the early 1900's. when lamps were so popular. Mrs. Henningsmoen finds her 1894 catalogue quite valuable in that it helps her name and price any lamps she may have looking similar to those in the catalogue.

"The first glass lamps," she said, "were made in the early 1800's, when the whale oil lamps were developed. Then followed the kerosene lamps about 1854 and, at about the same period, the camphene oil lamps."

She explained that campheneoil, a mixture of turpentine and alcohol, turned out to be a rather dangerous fuel. It wasn't uncommon, Mrs. Henningsmoen said, to hear about a house burning down simply because their camphene oil lamp exploded.

Gas lamps emerged in the 1890's but didn't have much chance to prove themselves. Electricity made its way onto the scene in the early 1900's and thus ended the age of beautiful oil and gas lamps.

During that time the Canadian Bulls Eye lamps were made, of which Mrs. Henningsmoen has nine of the 11 piece set. She pointed out that although some appeared to be slightly purple or yellow in color, they were not originally made that way.

Apparently, the Canadian glass-makers in trying to compete with the clarity of crystal glass, mixed manganeseorcopper in the glass to make it clearer and cleaner-looking. Little did they know that, through sunlight reacting with the manganese and copper, the glass would eventually become colored.

Many of the lamps have the patent dates engraved on them, said Mrs. Henningsmoen. In that way the collector can guesstimate the date of the lamp itself.

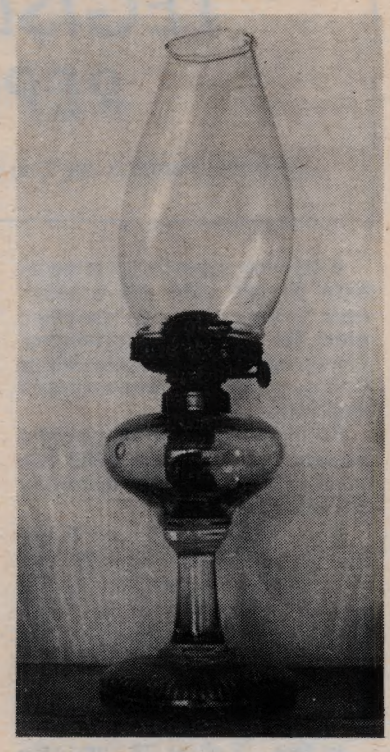
Another method of dating is by the style of the chimney collar. She pointed out that before 1875, the bronze collars were pressed differently, and thus had different markings. Also, many of the collars themselves, were patented and showed patent dates.

Mrs. Henningsmoen is really enjoying her collection and is now concentrating on completing her Canadian Bulls Eye set and collecting the early "Betty" lamps.

She and her husband, who collects gun shells and rifles, have won awards for their displays at rifle shows in Edmonton and Calgary, and have displayed them in Drayton Valley.

Looking pretty formidable, the olde English policeman shows the paraphernalia of his day -- including a belt lamp for the night-time beat.

Mrs. Henningsmoen shows off two of her favorites -- one dating back to the early 1600's called a rush lamp, and the other valued at $185 from the 1890 years.



Her most unusual lamp -- a chimney of a different sort.

Editorial Comment

An Excellent Plan

Someone within the Alberta Progressive Conservative organization came up with a splendid idea that resulted in a number of nomination meetings throughout the large Rocky Mountain Constituency, rather than the usual single meeting at a more-or-less central location.

Regardless of where a single meeting is held in the riding somebody is several hundred miles away. The succession of meetings gives P.C. supporters throughout the area the opportunity of attending a nomination meeting without the necessity of a long trip.

We believe it is an excellent idea and one that should give the Conservatives a candidate supported by the entire constituency. It's a lead that might be followed by others -- and probably gain the backing of party followers.

R.C.M.P. -- Something Special

Our sentiments, generally, are with those who object to changes in our country's traditions by the federal government's "sneaking republicanism".

Without fanfare the prefix "Royal" is disappearing -- apparently to appease Quebec and maintain Canadian unity. Unfortunately, for every friend gained in Quebec, this kind of politicing loses a handful in English-speaking Canada.

Most of us could live with changes, if that is to be federal policy. But why not come out and state clearly the road we are to follow. Practices such as occured recently, when on the eve of its 100th Anniversary, the R.C.M.P.'s initials were suddenly being removed from buildings and vehicles and replaced by the word "POLICE" and a representation of its insignia, leave many Canadians surprised and angry.

Westerner's, in particular, have a special regard for the R.C.M.P. who's traditions are linked so strongly with the history of Western Canada. A rising tide of protest from the west indicates that a great many Canadians ARE concerned about traditions and determined to have some things remain as they are.

Stock Show Starts Mar. 25

Two hundred and thirty six head of finished market cattle will be in the running for major awards at the Canadian Western Stock Show, March 25th to April 1st in Edmonton.

Down slightly from 1971 entries, the total this year includes 65 single steers in the junior singles classes, 93 animals in the senior singles classes, 22 entries in the carcass competition and 60 head or 12 groups in the group of five market cattle classes.

In the junior section, open to exhibitors 10 to 18 years of age inclusive, 11 Shorthorns, 38 Hereford and 16 Aberdeen Angus animals have been entered. The Junior and Reserve Junior Champions then go on to compete with their counterparts from the senior section of the show for Grand Champion and Reserve Grand Champion award.

Report From Parliament Hill

By Allen Sulatycky, M.P.

One thousand four hundred and ten residents of the large and diverse constituency of Rocky Mountain responded to a letter-questionnaire which I sent to all householders in the last week of December. This represents a return of about 8.3 percent.

One of the most impressive results was that elicited by the question "Should the government pass legislation to insure Canadian control of basic and essential industries?"; 83 percent of the respondents would favour such control. Illustrations of a growing wish for greater Canadian economic independence were found also in the results of questions dealing with foreign investment and the export of natural gas.

An interesting pair of results was garnered from one question dealing with the restoration of the death penalty, and the following one asking whether or not the question of abortion should be left to the decision of a woman and her doctor. The same group of people who hold the traditionally conservative view on capital punishment, (68% in favour of restoration), also are 73 percent in favour of liberalizing the laws regarding abortion.

Two questions dealing with the Prime Minister and the Government drew very close results. To "Do you believe that Prime Minister Trudeau has performed his duties adequately?", 620 people responded "yes", only 67 less than did respond in the negative. To "Are you satisfied that the present government has, in general, acted for the benefit of the majority of Canadians?", the 659 people who answered "yes" edged out the negative replies by 9.

Although many political observers across the country have said that the Prime Minister's and present Government's popularity in the West is very low, the results of this questionnaire would seem to show that this is not true.

The important thing about these two questions however is that the results for each were very proximate. This would indicate that the response came evenly from all sides of the political fences, and because of this, the results of the feeling of the entire constituency.

Although respondents had the option of returning the questionnaires unsigned, the vast majority included their names and addresses, and expressed a desire to receive results. These will be in the mail shortly. The reasonably high rate of returns received, and the number of favourable comments on them, seems to indicate that the questionnaire was well received, and that many people are anxious to express their opinions on more issues more often in the future.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (of the Calgary Herald)

It will be superiority of numbers on one side and a heavy edge in experience on the other when the Alberta Legislature moves into its first session with a Conservative government March 2nd.

Premier Peter Lougheed's government is in no trouble of a surprise defeat -- they hold a 48-26 edge in seats.

But House Leader Lou Hyndman admits the government may be in for some embarrassing moments when its inexperience starts to show. Mr. Hyndman figures the 25 Socred members have a total of 150 years in the House, while the 48 Tories can only muster 40 years.

In fact, 12 of the 22 Tory cabinet ministers have never sat in the House before and will step right on to the firing line when the assembly opens. Many of the rookie ministers will be faced by Opposition spokesmen who formerly held the job in the Socred administration.

In addition to the 10 ministers, there are 34 back-benchers from both sides of the House who will be taking part in the first session, a result of the Tory election upset when voters went to the polls August 30th.

Both major parties are conducting classes in parliamentary procedure for the new members, while the man Mr. Lougheed wants as speaker, Gerry Amerongen (he's never sat in the House either), has been visiting Ottawa and British Columbia to watch his counterparts there.

Mr. Amerongen's election will be on the first day of the session as the assembly goes through the traditional procedure of electing its speaker. His success is by no means certain as the MLA's cannot nominate any member for the post and the House has no rules to operate under until it has chosen a speaker.

In preparation for the session, the new government has been making some changes in the assembly. Most notable is replacement of the threadbare green carpet in the House with a scarlet replacement.

In addition to the carpet, tiers have been installed on both sides of the house for the back-benchers so they will be more readily visible when they speak.

The tiers will also come in handy if MLA's approve the Conservative suggestion that television cameras be allowed in the House. That motion will come up for debate sometime during the session--which observers guess is likely to last eight to 10 weeks.

For the first time, female pages will appear in the House. Three girls will join three boys in running errands and keeping files for the members.

Also likely to go before the House is a one-man study Mr. Hyndman has commissioned on the possibility of a Hansard. Sessions are now taped but no written Hansard is kept.

Modern technology in haymaking has passed by haystacks and pitchforks. In fact, today it might be easier to find a needle in a haystack than finding a haystack itself.

MARSH WORLD

COLORFUL WADER — The Avocet is a large black and white wading bird, with cinnamon-brown head and neck, pale blue legs and a long, slender up-curved bill. Found in the central prairies of Canada and U.S. in summer, it favors shallow, alkaline marshes, where it will nest in small colonies. Nests are on the ground in dry areas with little or no cover. Four eggs are usually laid, but sometimes two females use the same nest when 6 to 8 eggs may be laid.

D. V. Highlights

BY MRS. EDITH DEBY

It is good to know that Mrs. Earl Thompson has recovered completely from her illness.

Mrs. Robert MacMillan has had the disturbing news that her mother, Mrs. Smith, of Merrickville, Ontario, is quite ill. Mrs. Smith made many friends in our town when she visited here some years ago.

Ladies of Christian Social Action Group would like it known that a clothing depot has been opened in the basement of the Town Hall. The depot will be open from 1:00 to 4:00 p.m. every Wednesday afternoon. Good used clothing is in plentiful supply. It is hoped that anyone wishing to avail himself of this service will feel free to do so. There is no charge.

Mrs. Esther Davidson has resigned from the staff of the Pembina Drug. Your many customers are going to miss you, Esther. Mrs. Muriel Campbell is taking Mrs. Davidson's place.

Signs at the Tasti-Freez proclaim that the business has been sold to Burger Baron.

Mr. and Mrs. William Wallace and family of Bragg Creek, visited Mrs. Wallace's parents, Mr. and Mrs. Arthur Wood for the weekend.

It is a pleasure to see three of our sick folks, Mr. Rose, Mr. Jahnke and Mr. Palmer able to be about town once more.

Funeral services were held in Lloydminister Anglican Church on February 22nd for Mr. Richard Halstaad. Mr. Halstaad's daughter, Mrs. Lylle Beckett, is a resident of our district. Sympathy goes to Mrs. Beckett and her family at this time.

W.I. members who appeared before council recently remarked on the courtesy shown to them and on the politeness which council members showed each other. Edmonton Council meetings, where male members engage in something resembling fisticuffs, may make better newspaper copy, but in our opinion a more dignified atmosphere is desireable.

Third Event -- 1st, Nikolyuk, Wildwood; 2nd, Bain, Edmonton; 3rd, Lorenz, Evansburg; and 4th, Borys, Evansburg.

The winner of the raffle which was a recliner chair was Joe Vokali of Stony Plain. The Ladies Curling Club wish to thank all those who helped in any way for the Men's Bonspiel.

On February 9th Mr. John Oliver attended the funeral of the late Mrs. Mary Gorham of Edmonton. They have been old time friends of the Oliver family.

Mr. Howard Johnston is home from an Edmonton hospital where he spent about ten days.

Bill Davies' team won first in the third event at the Men's Bonspiel which was held at Seba Beach on the weekend. The other players on the team were Clarence Willoughby, Wally Adashynski and Randy Relling.

The Entwistle Teen Town held a Bonspiel on February 12th with four teams competing. Cliff Jevne was the winner for the day.

The Gainford Elks and the O.O.R.P went to Entwistle on February 12th with the travelling gavel. The D.D.E.R Bro. Bob Cowan of Drayton Valley was present with Mrs. Cowan.

H. R. Lady Edith Deib and E. R. Bro. Anderson, both of Gainford, presented the travelling gavels to the Lodges. A social was held after the presentations and lunch was served to round out the evening.

Dianne Hofmann of the Entwistle 4-H Clothing Club ran for the Valentine Queen this year. A dance was held at Camp He-Ho-Ha and the Queens selected. Dianne was not successful but a good try was made.

Mrs. F. Harris has just undergone another operation and it is hoped she is feeling fine and that she will soon be able to get home.

Mrs. Angeline Dean spent a few days at Peers visiting her daughter and grandchildren.

Coming events at the Community Church: February 26, Del Fredlin Group will perform. It starts at 8:00 p.m. in the church.

On March 6th - Congregational meeting in the church.

Auxiliary Plans T.V. Purchase

The regular meeting of the Hospital Auxilary was held February 10th in the Nurse's Residence . It was decided that we purchase a new T.V. set, also an antenna for the hospital. Our Rummage Sale is coming up on March 22nd, so start your spring cleaning now and phone either of these numbers for pick-up- 542-3252, 542-3176, 542-3957, or 542-4115. The ladies will be glad to pick-up at your house. Members were reminded that everyone is to bring a home-made item to our next meeting, to work towards our next bazaar. Work parties are also held for this purpose, the last Thursday of each month at 1:30 p.m. in the Nurse's Residence. Our next work party is February 24th and everyone is most welcome to attend.

The meeting closed with a lovely lunch served by Florence Romano and Doris Reid. Our next meeting will be held March 9th. For more information call **542-3252.**

Pancake Supper Proves Success

Shrove Tuesday was fittingly observed last week when the Women's Auxiliary of All Saints Anglican Church held its traditional Pancake Supper. A good crowd attended and later in the evening seven tables of whist were enjoyed.

The ladies wish to thank all who came for the event.

Nominating Committee Named by C.W.L.

The C.W.L. February dinner meeting was held in the Cardium Room with 41 members and guests present. After supper the regular meeting took place.

Sister Turner gave a short reading on St. Blase following which each convenor gave her annual report.

Next month is election night - nomination committee consists of Mrs. Eva Hennessey, Mrs. Gil Hasenclever and Mrs Kay Meraw. Each member was given or sent out a ballot form for a new slate of officers.

A motion was passed to present a Crucifix to all newly married couples.

Five dollars is to be sent to the National Scholarship Fund.

The motion was passed to send one percent of all C.W.L. funds raised and one percent of all personal items bought by members be donated to Canadian Catholic Organization for Development and Peace.

Mrs. Anne-Marie Haack presented a talk on "Human Values."

The March dinner meeting is on March 6th. The program on Multiple Sclerosis scheduled for that evening has had to be cancelled to a future date due to the program on "Venereal Disease" to be presented in the Jr. High School that evening. Following elections C.W.L. members will attend the above program.

Albert Osbak Passes After Lengthy Illness

Albert Osbak passed away at his home, Wednesday, February 9th after a lengthy illness. He leaves to mourn his passing, his loving wife, Bernice, three daughters, Mrs. David Tattersall (Eleanor) of Burtonsville; Marilyn and Florence at home; six sons, Wayne of Red Deer; Vernon, Milton, Glen, Galan and Erin, all at home; three sisters; four brothers and his father, Karl Osbak of Leduc, several nieces and nephews and many friends.

The funeral service was held at the Telfordville United Church on Saturday, February 12th and interment was made in the Genesee Cemetery.

Tomahawk News

A mixed bonspiel was held at Tomahawk on February 11, 12 and 13. Winners of the first event were Jerry Jones of Drayton Valley and Rudolph Reich of Tomahawk. Second event winners were David Gilbert of Spruce Grove and V. Enjeneski of Tomahawk. Third event winners were Bill Wickware of Tomahawk and Johnny Malka of Edmonton.

The Tomahawk and District Club held its monthly meeting at the recreation centre on Valentine's Day. There were several subjects to discuss. Final plans were made for the St. Patrick's Beer Fest. You must have reserve tickets and only 200 tickets will be sold.

The moccasin dance has been cancelled because a P.A. system was not available to supply music for dancing.

The constitution was read and approved and shall again be read at the annual meeting. The treasurer's report was read and will also be presented at the annual meeting which will be on March 20th. The power bill for the recreation centre was $275.00 for 1971.

There are numerous other subjects to discuss at the annual meeting - please be present if you have any interest in your community and future environment of your children.

We wish to welcome back to Tomahawk Mr. and Mrs. Adolph Strocher and their two sons. They now live where the Pezzot's used to live, just past the school.

The Tomahawk Fire Department held its monthly meeting on Wednesday, February 9th. They decided to have a mixed fireman's bonspiel on March 4, 5 and 6. At least one person on each rink must be a member of the Fire Department.

Several Lutheran ladies of Tomahawk met Lutheran ladies of Drayton Valley and area at the Cardium Room at the hotel. A delicious supper of Chinese food or beef was served. Rev. Schole was present and spoke on "World Relief".

It was moved and carried that at 4:20 p.m. that the meeting adjourn.

Burtonsville News

Recently, Mrs. E. Homme was visited by her son, Lewis of Stony Plain and her daughter, Norma Zoltan and family of Edmonton.

Clinton Walker of Edmonton visited Mr. and Mrs. Buford Walker and family early in the week.

Mr. and Mrs. Malcolm MacDougall visited Arnold and Lucy Hansen on Tuesday evening. Malcolm is now helping Arnold clear some land.

Mr. and Mrs. Wm. Vanderwell visited Douglas, Dorothy, Malcolm and Marie MacDougall on Tuesday afternoon.

Gordon and Charlie Millan visited at the home of Mr. and Mrs. Jim Bailey on Wednesday.

Myles and Stacy Homme visited their grandma, E. Homme on Friday, while their mother and Sandra went to the dentist.

Rev. and Mrs. Ashdown of the Mewassin Free Methodist Church visited Rev. J. D. Kennedy at the parsonage during the week.

The farmers really appreciated the warming trend of the past few days. It has enabled them to catch up on some of the chores they couldn't do in the real cold snap.

The people of Burtonsville extend their deepest sympathy to Bernice Osbak and family.

In more than 500 communities across Canada the Sickroom Equipment Loan Service of the Canadian Red Cross provides persons with the equipment they require free of charge. Each year the Sickroom Equipment Loan Service plays an ever increasing role in community assistance. Wheel chairs, hospital beds, crutches, canes, bed tables are only a few of the items available on loan.

Wabamun News

Mrs. Lena Daniels was the lucky winner of the jackpot at Seba Beach on Monday evening, with the jackpot being $140.00.

Many folks from here attended the Dine and Dance at Carvel last Saturday and they report a very good time.

Mrs. R.T.Ward is staying at the home of Dr. and Mrs. Patterson in Stony Plain while they are on holidays.

Now that the weather is so much better there are a lot of people out to the lake fishing. Some of them seem to be very lucky.

Mr. and Mrs. G. Sarich visited with the latter's parents, Mr. and Mrs. Kent in Stony Plain last Sunday.

Sorry to hear that Bonnie Burton had the misfortune to break her nose while skating at the arena the other day, and has been in the hospital. We hope that you will soon be better, Bonnie.

The Wabamun W.I. held a very successful tea and bake sale on February 11th. The door prize was won by Mrs. E.H. Woollard. The members wish to thank all who came out to the tea and who bought the home baking which there was plenty of.

Mrs.F. Anderson put on a lovely birthday tea for Mrs. Roberts who celebrated her birthday on February 12th. Mrs. Roberts thanked Mrs. Anderson for such a nice afternoon and also thanked one and all for the lovely gifts.

POLICE BEAT

Sgt. Brian Thorstad has been with the R.C.M.P. since 1954, and since then has served in many different places.

He was born in Abbey, Saskatchewan, about 75 miles northwest of Swift Current, and took his first years of schooling in the Eston district. At the age of 16 he attended the Swift Current high school from which he graduated in 1952.

After working in the Swift Current Greyhound bus depot for two years, Sgt. Thorstad joined the R.C.M.P., taking his training in Regina.

His police career then led him to Ottawa for nine months, Edmonton for six months, to Calgary for four years, then one year in Strathmore, five years in Whitehorse, two years in Beiseker, back to Calgary for two years, Spirit River for one year, and finally Drayton Valley R.C.M.P. detachment in 1970.

During that time he was promoted to Coporal (1963) and Sergeant (1971).

Married, Sgt. Thorstad is a member of the Drayton Valley Rotary Club, chairman of the International Services Committee. He has served on almost all other service clubs during his career, but still has found time for such sports as golfing, curling, hunting and travelling.

Sgt. Thorstad and his wife Sally are presently on a month's vacation in Hawaiian sun, and will be returning in March.

According to the Alberta Farm Market Analysis, Canadian wheat sale prospects for this year seem on a par with those of last year even though world production is likely to be somewhat larger.

Second -- skip, Jim Capiniuk; third, Dale Nordstrom; second, Scotty Hare; and lead, Joe Zingle. Prizes, flight bags.

Third -- skip, Robert Dohlman; third, Rod Ollenberger; second, Steven Fischer; and lead, Dwaine Ollenberger.

Fourth -- skip, Al Clemmer; third, Gordon Foss; second, Cliff Foss; and lead, J.L.Seely.

The crying towels went to the first team with three straight losses. They were skip, Ray Larabee; third, Mel Fontaine; second, Tony; and lead Leona Jussila.

Buck Creek News

Activity in the community was centered around the curling rink last weekend when the men held their bonspiel. The Joe Safronovich rink was first in the first event; first in the second event was Lyle Lawson and Len Regenwetter took first in the third. Also first in their own department were the ladies who served their usual delicious turkey supper.

The Stan Safronovich rink won the club's round robin trophy.

Mr. and Mrs. Alex Norman of Sherwood Park were overnight visitors at the Smestad home.

Mr. and Mrs. Carlson of Edmonton were Sunday visitors at the Dennis Brewster home, as well as relatives from Telfordville.

Valerie Brewster celebrated her sixteenth birthday, February 16th. Hope it was a very special one, Valerie.

Mr. and Mrs. Zittlau and family will be moving to Edmonton due to her husband's illness.

Six Churches To Take Part In Service

On Friday, March 3rd, 1972 women from six different churches in Drayton Valley will be together again for the World Day of Prayer Service. This year all ladies will be welcomed at the Drayton Valley United Church at 8:00 p.m.

Since we have a new approach this year the service promises to be most interesting. The Church of God ladies have contacted Mrs. Agnes Larson of Mayerthorpe to be the guest speaker.

The children's service in the Calvary Baptist Church will begin at 4:00 p.m., March 3rd. A puppet story entitled "What's Wrong with Mr. Rat and His Operation" will highlight the program.

All children are welcome to enter the Poster Contest for the World Day of Prayer. Please print your name and phone number on the back of your poster and turn it in to any of the following churches: Penticostal Tabernacle, Church of God, All Saints Anglican Church, Drayton Valley United Church, Calvary Baptist Church or St. Anthony's Church before Thursday, February 24th.

First, second and third prizes will be awarded at the children's service.

BUCK LAKE NEWS

Weekend visitors with Rudy and Vera Brzus during the Open Bonspiel were her parents, Mr. and Mrs. Don Eastwood and her sister Evelyn and Don Pederson, all of Ponoka.

Congratulations to Peter and Lin Kiss of Edmonton on the arrival of a baby boy, Peter Morgan who weighed in at 7 pounds, 7 ounces.

The whist party held Tuesday, February 8th had eight tables in play; Norma Malin of Buck Creek won a round tray for Ladies' High. Low went to Ivy Kellgren of Alder Flats, a tissue holder. The Men's High went to Lawrence Bohning, three ash trays, and the low to Albert Kellgren, an ash tray. Thanks to Ruby Woods for the donation of the prizes.

Sorry to hear that Larry and Arlene Fullerton of Dayton, Ohio lost the rented trailer they were living in, and all their belongings Luckily though, they and the children were able to get out in time.

Great Plains held a Bonspiel at Buck Lake this weekend.

Mr. and Mrs. Bill Goldsney (nee Debra Bouck) of Edmonton, are very happy to announce the arrival of baby daughter, Kimberly Jean Ann, on February 9th in the Royal Alexandra Hospital. Kim weighed 7 pounds, 5 ounces, and her doctor was Dr. Ferguson The pleased grandparents are Dave and Gladys Goldsney of Winfield, and Wes and Betty Bouck of Buck Lake.

Congratulations to Leon and Esther Poudrier on the arrival of a daughter, Pamela Jean, and Gordon and Irene Foss on the birth of a son, Matthew Oliver.

Gainford News

Joanne and Cherie spent the weekend with the Harry Clarkes, while their parents Mr. and Mrs. Neil Vance attended a dog show in Calgary.

Mr. and Mrs. Art Williams are home from hospital again; let's hope they stay home this time.

The Harry Clarke family are happy to announce the arrival of their chosen son Darren Lee, 3 1/2 years old, a brother for Billy John.

It has been brought to our attention that there is a lot of misunderstanding in the Gainford district regarding the news reporter. The one to contact for news items is Ruth McLachlan, phone 797-3990, and not Ruth McLellan.

The Bud Lenz team of Ron Welch, George Bentley, and Charlie Holosney won fourth place in the second event of the Entwistle Men's Bonspiel. The prize was a barbeque.

Saturday the Boy Scouts were snowmobiling and tobogganing. They also enjoyed a weiner roast.

On Sunday, a surprise Valentine party was held at the McLachlan's. A large pink cake decorated the center of the table, along with heart shaped boxed chocolates, valentines and lots of good food. Those present were the Lyle family of St. Albert, and Hermann and Edith Baureiss of Edmonton.

Monday, February 14th was Cindy Evans's birthday. She was six years old. Happy birthday Cindy.

A Tupperware party was held at the home of Joan Vance on February 11th. There were 11 ladies present. This was Mrs. Jenny Hattio's first party in Canada, although she had been to Tupperware parties in England.

Mrs. Hauser of Edmonton spent the weekend at the home of her son Jim. Pleased to see Mrs. Hauser is well enough to be out and around again.

On Saturday evening the Gainford Elks and the Royal Purple were guests of the Entwistle groups. Dancing and a turkey supper were part of the pleasant evening's entertainment.

Mr. and Mrs. Sam Cooper and their son Frederick of Rich Valley were guests at the home of the Harry Clarkes on the weekend.

The chickadees have started whistling their spring song; also a couple of skunks have been seen; for those who do not believe in the ground hog and his shadow, these must be sure signs that spring is just around the corner.

Sundance Club To Attend Rodeo

On Thursday, February 3rd the Sundance 4-H Beef Club held its monthly meeting at the home of Mr. and Mrs. Hilts. There were nine members present. The club decided to go to the Edmonton Indoor Rodeo on Sunday, March 26th. Each club member may invite a guest.

Next month's meeting will be held at the home of Mr. and Mrs. Dean Strangway.

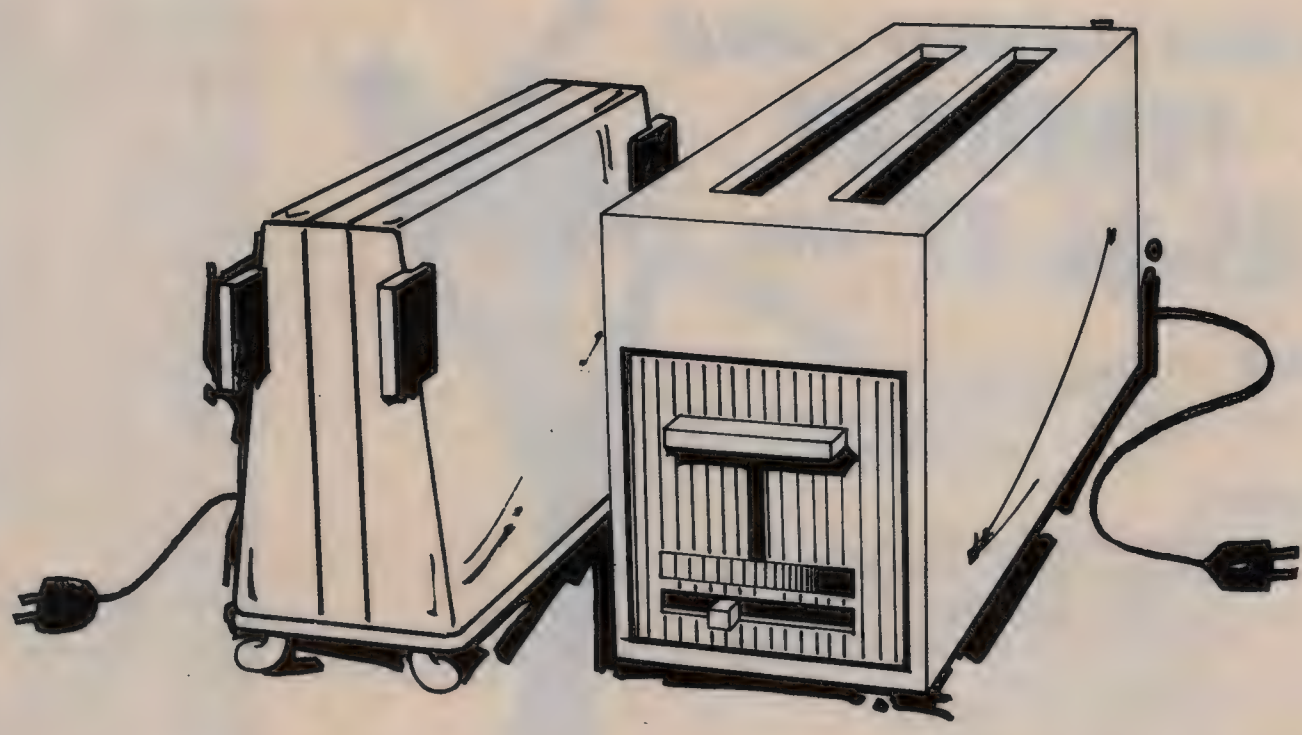
Look at the power/full difference
21 years made to the
cost of putting the tan on your toast!



THEN: Remember "old smoky"... that little gem that would roast your toast if you failed to pay attention? In 1951 the power to burn your morning toast cost you

16¢ a month.

NOW: This space-age baby makes perfect toast, every time. Just dial the shade you like best, and go pour the coffee. In 1972, you are toastmaster of the day for a power cost of only

9.5¢ a month.

Despite continually increasing costs, the price of electricity is far less than 21 years ago.

EVANSBURG SCHOOL HIGHLIGHTS

On Friday, February 11th, the students of the Evansburg High School received their final reports from the first semester.

Eleven students from Evansburg are taking part in the Work Experience Course. Jean Headon, Linda Bush, Annette Coulombe, Norine Messenger and Keith Lorenz all work at school for various teachers. Beth Galpin works at the Municipal Affairs office; and Cindy Udchitz works at the village office. David Capostinsky works at the Save Rite Store in the meat department. Also working at the Save Rite Store as general stock man is Dale Law. Nancy Ditner and Linda Woloszyn help Mrs. Allison with the Playschool children.

The work experience students are required to put in 125 hours on the job. No money is involved but credits are given to the students involved. This program requires parents' consent and the co-operation of a business or supervision who will take the time to evaluate the student and give them pointers. It has been approved by the Board of Industrial Relations and the students are covered by insurance for accident or injury by the Yellowhead School Division. Much appreciation goes to businesses and offices taking part in this program and enabling students to get such a wide variety of experience.

The senior basketball teams have been having success in past games. On February 4th both teams won first place in the tournaments held in Edson. The Evansburg Annual Senior Girls Basketball Tournament will be held on March 4th in the Evansburg High School. On the following week, March 11th the Senior Boy's Tournament will be held. Six teams have been invited to participate in each tournament. First and second place trophies will be presented along with six All-Star trophies and a top player trophy at each tournament. A cheerleading trophy will be presented at the Senior Boy's Tournament only.

February 7th was the first day of "Candid Camera Week". Many students have been bringing their cameras to school to take part in the contest. On February 25th all pictures are to be handed in and on February 28th the winners will be presented with a prize. There are three different catagories: the funniest picture; the best action picture; and the most interesting picture.

February 14 and 15 were holidays for the students because the teachers went to the "Teachers Convention in Edmonton.

The weekend of February 26 and 27 will be an action-packed one in Evansburg. On Saturday, February 26th the intramural teams, the Typhoons, Tornadoes and the Hurricanes - are going to compete against each other in broomball games and chuckwagon races. The three teams are divided into four catagories - Junior Boys, Junior Girls, Senior Girls, and Senior Boys. The activities will take place on the mainstreet in Evansburg. Everyone is welcome to come and cheer! The school is also taking part in the Ice Sculpture Contest held that weekend. And many of the students will be in the carnival on Sunday.

On February 23rd from 2:00 to 3:30 p.m. our students will be attending a program entitled the "Youth and the Law," held in our gym.

On March 10th grades 8 - 12 will be travelling to Stony Plain to attend the "Career Fair."

A semi-formal "Senior Prom" is to be held on May 26 in the school. Advance tickets only will be sold.

Among the various activities held at noon hour is free skating held Tuesday and Thursday of every week. The Students' Council would like to thank the teachers who willingly give of their lunch hour to supervise the skaters.

Regular Meeting of Yellowhead Board

Present for the regular meeting of the Yellowhead School Board on February 9th were trustees, George Monsma, A.L. Fausak, A. E. Winfield, S. Delano, M. A. Collins; Dr. I. W. C. Reid, Mrs. T. E. Nelson; County of Parkland Representative, Mrs. A. Clark; A. T. A. Local Representative, D. Baudin; Superintendent of Schools, B. A. Chandler; and Assistant Superintendent for Business Operations, D. S. Blundell.

Mrs. Tanis Nelson, newly-elected trustee for Subdivision No. 5 (Hinton, Coal Branch, Brule area), took the oath of office. The addition of another trustee was an attempt to balance the rural-urban representation on the divisional board.

Mr. D. Baudin impressed the teachers' concern over the Board's decision to discontinue the bursary program and the fact that the teachers had not been consulted. A number of reasons were given by the Board for discontinuing the program. As well, it was indicated that in discussing the proposed program for financing professional improvement approximately one year ago, the discontinuance of the bursary program was discussed with the principals.

It was decided to hold official openings of the renovated areas in the Central Elementary School in Edson and the Niton Central School during Education Week. The Niton ceremony will be held at 8:00 p.m. on March 1, 1972 while the Central Elementary ceremony will be in two parts, a ceremony for students in the afternoon and for the public in the evening with definite times to be announced later by the school.

The new high school at Evansburg was officially named the Grand Trunk High School, commemorating the history of the railway in the area. In discussing the construction of the school, it was decided to install standard hardwood floor in the gymnasium instead of cork carpet which was being investigated.

The Board approved a reorganization of the schools in Evansburg as a result of the construction of the new school. The senior high students will be housed in the new school; the junior high school students will be housed in the newest portion of the old building, and the administration of these students will be under the same administration as the elementary students at Evansview School. Mr. Roger Kangas, present principal at Evansview, was esignated as principal of the ombined schools, encompassing rades one to nine.

The Board approved the work of he committee of teachers from hree schools in Hinton who are lanning a program and facilies for outdoor education. In approving the work of the committee, the Board requested that a etailed report be submitted inluding objectives of the proram, possible program activiies, and sites and equipment required. The Board also requested hat the committee explore the ossibilities of cooperation with ther agencies so that costs of the rogram can be kept down.

Resignations were accepted ith regret from: Mr. T. Morgan, Mrs. B. Morgan, Mrs. V. ay and Mrs. M. Coady. The reirement of Mr. H. Wortman, rincipal at A. H. Dakin School as acknowledged with regret. A eave of absence for Mrs. Myrna rimmon for April 29th to June rd, 1972 was approved. Mr. William Lemishka was approved as he regular bus driver for a divsional bus at Wildwood. A numer of substitute bus drivers were lso approved.

Concern was expressed by the Superintendent of Schools regarding Department of Citizenship and Immigration and Department of Manpower regulations and procedures regarding employment of teachers. It was greed to write to M. P. Allan ulatycky expressing our concern egarding the recent employment of a teacher from Oregon. Even though no suitable Canadian applicants were available and a teacher was urgently required, immigration authorities insisted that a prospective teacher return to the U.S.A. - Canada border for and interview rather than interviewing her in Edmonton.

Authorization to borrow $3,600,000.00 for operational costs during 1972 was given. Grants from the government are made at such times so as to necessitate the division to resort to short-term borrowing for about eighty percent of operational costs.

A discussion of the plans which have been developed for the implementation of the Administrative Study were postponed for a special meeting to be held on Tuesday, February 15, 1972 at 7:30 p.m.

The Board discussed a report on the Driver Education 10 course. It was noted that the cost per student was $69.00 and that the student enthusiasms were high. The Board requested that future reports should give an indication of the number of students who qualified for a driver's licence as a result of the course. Concern was expressed regarding the cancelling of the Driver Education 10 at Harry Collinge High School and a full report was requested for the next meeting.

Approximately 40 ladies gathered at the Legion Hall for a miscellaneous shower in honor of Mrs. Barbara Rachuk (nee Croft). Seated at the head table with the bride were Mrs. Fred Croft, mother of the bride, and Mrs. Bill Rachuk, mother of the groom; also Mrs. Ron Rachuk, sister-in-law and Miss Sheila Bjornstad, one of her bridesmaids. Sheila helped to open the gifts, after which Barbara graciously thanked all the ladies. A delicious lunch was served by the hostesses.

At the regular monthly meeting the Volunteer Firemen made plans to hold the annual Firemen's Ball on March 18.

Best wishes for a speedy recovery go to Dale Davey who underwent surgery in an Edmonton hospital.

Visitors around Evansburg this past week were Mr. and Mrs. Ray Vennard of Calgary at the Lorenz home, also Mr. and Mrs. Garry Wade at the Ostertag and G. Wade home.

Mrs. Joe Stewart has returned home after spending several weeks in Edmonton with her daughter and friends. While there she helped her husband celebrate his 81st birthday. Mr. Stewart has been in the Veteran's home for 2 years after suffering a stroke. He was born at Mount St. Charles in the county of Donnegal, Ireland. He came to Canada in 1913 and moved to the Parkcourt area in 1921 and farmed there until his retirement in 1967. Mr. Stewart is a veteran of both world wars, spending 3 1/2 years overseas, and spent some weeks in a sacrifice position in the first war. During the second war he served with the Southern Alberta Regiment.

The John Deere show was held in the Legion Hall recently and approximately 200 people gathered to watch a film on John Deere equipment. Coffee and doughnuts were served later and door prizes awarded. First was won by Mr. Nick Chopko of Wildwood, a ski-doo suit or $75.00 voucher; 2nd prize was won by Gerald Ambrose of Lake Isle, a $25.00 voucher; other prizes were won by Mr. Sam Litwyn of Rocky Rapids, and Mr. Walter Kreminuk of Evansburg. There were two ladies' door prizes awarded also.

aides was discussed. Most schools have followed the Board guideline of devoting more than fifty percent of the allotted para-professional time to doing clerical-type work for teachers and the librarian. The accuracy of the figures, in one instance, was questioned.

The Superintendent of Schools reported that the signed copies of the agreement on the community use of schools had finally been received from the Department of Municipal Affairs after more than a year's wait since they have been signed by other municipal authorities. Copies of a letter sent to the Minister of Education requesting better inter - governmental department cooperation on such agreements was presented for information.

A report of the meeting held with the Town of Hinton on the community use of schools was presented by those in attendance. From the information presented at the meeting it would appear that few problems are being encountered in Hinton as a result of community use of schools. It was noted that the recreation director, Mr. W. Casey, is doing an excellent job of scheduling and controlling use of the school facilities.

Information was recieved on the Career Fair to be held at the Harry Collinge High School on March 9, 1972. The public is cordially invited to attend. Most students in grades 10 - 12 and some from grade 9 will have an opportunity to attend the event.

Other items discussed or received for information included: CBC and CTV Programs on Modified School Year, Education Week, school enrolments, insurance commission allocations, bus safety mirrors and purchasing of attache cases for Board members.

The next regular meeting of the Board will be held in the Parkland Composite High School on Wednesday, March 8, at 10:00 a.m. The change in location of the meeting is to make it possible for more of the public to attend the Board meeting since room is rather limited at central office.

Wildwood News

Mrs. Mike Meteyko had a birthday party on February 6th in honor of Mrs. Adeline Anderson. An enjoyable afternoon was spent with bingo and games, with a lunch following. Mrs. Edith Benson won the raffle.

February 10 the O.O.R.P were honored with a visit from District Deputy Daisy Pempeit of Edson on her inspection tour of the lodges. Arrangements were made for preparing for Klondike Days, March 3rd and 4th in the Wildwood Hall. A corsage and gift were presented to the District Deputy.

On February 14th at 1:00 p.m. friends and relations called on Mrs. Bert Benson to help her celebrate her birthday and their wedding anniversary. Ladies were entertained by bingo and card games. A lunch was served at the end of the afternoon.

Delicious pancakes were served at a successful Pancake Supper Shrove Tuesday by the Agricultural Society - Bingo was played while dishes and cleaning up were finished. Thanks to all who supported the Society and to those who helped at the supper.

Mr. A. Winfield attended a trustee meeting in Edson Tuesday night, February 15th.

Mrs. Alice Phillips was the lucky winner of a$140.00 jackpot at the Monday night bingo, while Mr. Sitzer of Niton won the $85.00 jackpot.

The Ladies' Aid held their annual meeting on February 16th at the home of Mrs. Stan Hanson with 12 members present.

Mrs. Carolla Tindall was elected President, Mrs. Millie Gerrard, Vice-President; and Mrs. Dora Carlson as Secretary-Treasurer. There will be no Ladies Aid Bingo in March as Klondike Days fall on their bingo night. Next Ladies Aid Bingo will be the first Monday in April. Next meeting will be held at Mrs. Nick Kostuik's on March 15th.

The Recreation Board held a meeting February 16th in town office. Arnold Jorgensen was elected chairman. Types of recreation for the Wildwood area were discussed.

The Ladies Curling Bonspiel will be on February 25, 26 and 27th.

The Wildwood Mixed Bonspiel is planned for March 24, 25 and 26, so plan to enter a rink and have a good time.

Get well wishes go to Mrs. Mary Myschuk and Mrs. Violet Lemishka who have undergone surgery in an Edmonton Hospital.

FROM THE ELEMENTARY SCHOOL

A new term that is being "batted around" by both the general public and the teaching profession is "accountability". This topic was chosen to be one of the feature talks during the recent Teacher's Convention. Mr. Kris Breckman from Winnipeg was the speaker. You probably heard quite a bit about one aspect of this term several years ago under the heading of "Merit Pay for Teachers". The term "accountability" today covers a much broader scope and has many implications to the public.

What does the term mean? One definition is that "the school systems and those who operate them should be held responsible for what the children learn". The idea is not new. Payment by results was put into practice nearly 100 years ago in Canada. In 1875 schools in Ontario received grants based upon the proficiency of students.

How can teaching be made to fit the definition? Several different approaches have been and are being tried in various places in the United States.

One of these is know as "Performace Contracting". "Under this plan. business firms or teachers groups contract for a set fee to produce clearly specified results, by a certain date, using certain methods. Most of the contracts to date have been related to growth of student skills in mathematics or reading and have involved measurement by an external auditor." (Breckman) The findings are interesting. There is heavy emphasis on only those skills that can be measured, and personal and social growth is neglected. This emphasis creates tension and anxiety on the student. What is even more interesting is "that the firms operating under performance contracts did not perform significantly better than the more traditional school systems".

This topic of accountability is very broad and much can be said about it. Another aspect of it is the "voucher system" of education.

Fallis News

Happy birthday greetings extended to Connie Schymize who will have a birthday on February 25th and to Mr. Davies who will have a birthday on February 28th.

Pat Orchison from Edmonton was home for the weekend visiting her family.

Bingo was held in the Fallis Community Hall on February 18. The next bingo will be on March 3rd commencing at 8:00 sharp.

There is quite a lot of activity on the lake shore near Fallis this winter as the Wild Life and Fish and Game Department are erecting a dock at Lake Wabamun.

If the fish were as ambitious as the fishermen you would only have to go fishing once a year.

Don't forget the next lesson on Sewing with Knits and Lingerie coming up soon.

What it takes to make a house look lived in is Sunday.

Oilwives 'Snow Ball' Reported Big Success

The regular meeting of the Drayton Valley Oilwives was held in the Cardium Room on February 14th with 77 members and one guest present.

May Barker reported that the "Snow Ball" dance was a real success and everyone enjoyed a un-filled evening. The winner of the ceramic door prize donated by Inga Hawyraluk, was Barb Krause and the prizes donated by Thomas Adams Distillers were won by Gladys Schultz and Barry Mundle.

An "Honorary Member" voting box was placed at the main entrance for those who wished to enter the name of an Oilwife whom they felt has really contributed a lot of time and effort to the club.

Entertainment was the annual 'White Elephant' sale with Carole Lawrence acting as auctioneer. The sale always creates an active enjoyable evening and also proves profitable to the club.

Next month is the 14th annual talent night and will be held in the Elks Hall. You must have your reservations in by Friday before the meeting instead of the usual Monday noon deadline. The theme this year is St. Patrick's so remember to wear something green.

The next executive meeting will be at the home of Joan Erickson on March 7th at 8 p.m.

Park Court News

The school children enjoyed two days holiday and some families making little trips out of the district were the Marchands, Verbecks and Lutz's. The nice weather made travelling enjoyable.

Joan Kerr and Mr. and Mrs. Stanley Greenwood attended the funeral of a friend in Wetaskiwin on Wednesday.

Mrs. Pete Prylowski and children spent a couple of days visiting her sister in Hinton.

The regular meeting of the Gay Gatherers was held Wednesday at the home of Mrs. Joan Young. Plans for a forthcoming shower were discussed, also, the catering of a farm sale. Everyone reported being busy working on their recipe booklet. Mrs. Sandra Prylowski gave a talk on vacation spots to visit in southern Alberta. Mrs. Roberta Lutz was welcomed as a new member of the club. Mrs.

Mr. and Mrs. Bob Grof and Paul were out visiting at their home here over the weekend.

A social evening will be held in the hall on Friday night. A demonstration of crafts will take place.

Weekly Livestock Report

SUMMARY

Receipts were slightly higher and about average for the season. Offerings of cattle and calves were approximately 77% replacement classes, with butcher cows comprising most of the slaughter sales. Trade was generally active on all classes. Slaughter steers and heifers sold steady. Good and medium cows 50 lower for the week. Bulls steady. Replacement classes steady to firm. Veal 1.00 higher.

SLAUGHTER CATTLE AND CALVES

Top quality slaughter steers and heifers were generally scarce throughout the week. Prices were on a par with the previous week's quotations. With more tag showing up buyers were a little more selective. Good and medium cows sold unevenly from 50 higher early in the week to 50 - 1.00 lower as the week closed. Canners and cutters were generally steady under a good demand. Bulls steady. Veal sold 1.00 higher with the odd fancy vealer to 49.50.

REPLACEMENT CATTLE AND CALVES

A good demand continues for heavier replacement classes which sold at firm prices. Lighter feeders and stock calves fully steady with a few sales over quotations for stockers under 300 lbs. Heavier weights in short supply.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Steers: Choice 33.50 - 34.50, good 32.50 - 33.50, medium 30 - 31.50.

CARD OF THANKS

OSBAK - We wish to express sincere thanks and appreciation to relatives, neighbors and friends for the kind messages of sympathy, floral tributes and memorial gifts we received during our recent bereavement in the loss of our beloved husband and father, Albert (Slim) Osbak.

Special thanks to Rev. and Mrs. G. Rhind and Rev. J. D. Kennedy, the pall bearers, organist, grave diggers, the Genesee ladies who served lunch, and to all those who helped in any way.

Mrs. Bernice Osbak
and Family

THANK YOU

We would like to thank the Rebels and Town of Drayton Valley for donating the gate receipts from last Thursday's game against Stony Plain to Minor Hockey.

Drayton Valley
Minor Hockey Association

I would like to thank the C.N.A.; also all the members and associate members of the Drayton Valley Hospital Auxiliary who helped canvass and to all those who so generously contributed to the Heart Fund. With the volunteer help of these people, we were able to cover the town quite successfully. Thank you all once again.

Ann Eustace, President
D.V. Hospital Auxiliary

My husband and myself wish to thank our many friends, and the Moon Lake Community for the lovely party and gifts we received on our twenty-fifth wedding anniversary. A very special thanks to Mom Town and her two daughters, Laura and Violet, for the beautiful wedding cake; Phyllis Carnegie and family for the lovely silver gift; Spud and Don, our bridesmaid and best man, for being present with us once again; Fred Cherrington, as master of ceremonies; and to Norm Johnson, who on behalf of the community, presented us with a lovely pole lamp and silver tray. Thanks to all who worked so hard to make the party a success. Thanks Mom and Dad (Leo and Blanche Jensen) for the gift and flowers, etc.

Oliveen and Bernie Town

TEMPT THEM with TASTIER FOODS

Pound a boneless TableRite chuck beef roast with wooden mallet or rolling pin and flatten to 2-1/2 - 3 inch thickness. Make 1 inch deep cuts across both sides of meat. Cut one side of meat with mixture made of 1 envelope of unseasoned meat tenderizer, 1/2 cup chopped onion, 1 soy sauce, 1/4 cup chopped olives, 1/4 cup tap. salt, 1/4 tsp. each pepper and Accent. Place meat, coated side towards broiler. When brown repeat procedure for other side, about 25 - 30 minutes each side for rare. Cut meat diagonally in 1/2 inch slices. Grilled bananas, IGA onion rings and salad make a meal. TableRite ice cream on waffle with Hershey Chocolate Syrup or Pillsbury cake mix will make ideal dessert.
